FISCAL NOTE ANALYSIS

STATE OF ALASKA
2022 LEGISLATIVE SESSION

Analysis

This bill creates four new programs: an early education program, a comprehensive reading intervention program, a school improvement reading program, and a virtual education consortium. **This fiscal note addresses the early education program.**

The early education program, created under AS 14.03.410, is approved by the Department of Education and Early Development (DEED) and funded by the state through a three-year grant process. Once those districts have completed the three-year grant cycle and DEED has determined the early education program complies with the adopted standards as created by the State Board of Education and Early Development, then those programs may be eligible for 1/2 the full-time equivalent for average daily membership (ADM) funding under AS 14.17.410. Foundation funding would only be provided to those districts that are not already receiving early education funding by another state or federal program. The early education program is repealed on June 30, 2034 (FY2034).

To operate the early education grant program starting in FY2023 through FY2034, it would require 2 Education Specialist II, Range 21, Step B/C, at \$115.6 each (\$231.2 total); and 1 Education Associate II, Range 15, Step B/C, at \$95.6. In addition, department chargebacks of \$10.6 per position would be needed (\$31.8 total), plus a one-time increment of \$5.0 per position for supplies and equipment (\$15.0 total).

These three positions would be needed in FY2023 in order to develop the early education grant program, including creating the standards for high-quality pre-K programs and seeking the State Board of Education and Early Development's approval of those standards, and providing on-going professional development, training, and support to grantees throughout the life of the early education grant program.

In addition, with the requirement for the State Board of Education and Early Development to adopt regulations establishing standards for an early education program, including teacher certification requirements, developmentally appropriate objectives, and accommodations, included in this fiscal note is a one-time increment of \$12.0 for legal services costs associated with these new regulations.

Total cost to DEED in salary and benefits is \$326.8 with department chargebacks of \$31.8, plus one-time increments for supplies and equipment of \$15.0 and regulations of \$12.0, for a total cost of \$385.6 in FY2023 and \$358.6 per year starting in FY2024.

A total of \$474.7 for the Parents as Teachers program is reflected in the FY2023 Governor's Request. This funding is necessary to continue the program. For purposes of estimating fiscal impact, the current appropriation of \$474.7 has been reflected each year. This estimate will be updated in out years as the program is implemented. The Parents as Teachers program is repealed on June 30, 2034 (FY2034).

Costs associated with the early education program grants are reflected in the Pre-Kindergarten Grants fiscal note.

The effective date of this bill is July 1, 2023 (FY2024).
